Director of Capital Planning
Massachusetts School Building Authority
40 Broad Street, Suite 500
Boston, MA 02109

Dear Ms. Pichetti:

We have reviewed the space summary and accompanying documentation submitted by the Town of Tisbury for a construction project at the Tisbury School. We have done so in accordance with M.G.L. chapter 70B, section 6(6), which instructs us to certify "...that adequate provisions have been made in the school project for children with disabilities, as defined in section 1 of chapter 71B...".

We are satisfied with the district's proposed floor plans and believe that their special education plan and will provide the community with an opportunity to serve its special education students well. The Massachusetts Department of Elementary and Secondary Education therefore certifies that this school project has been planned to adequately provide appropriate space to serve the programs and school populations referenced in M.G.L. chapter 70B, section 6(6) noted above.

Sincerely,

A handwritten signature in black ink, appearing to read "Matt Deninger".
