Subject: Public school survey
To: Tisbury School Building Committee <tisburyproject@gmail.com>

I would like to request the Building Committee release a survey to determine why people voted down the design for a brand new Elementary School at last years Town Meeting i.e. as follows:

If you voted against the demolition of the existing school followed by building a new school, please indicate if it was because of the

- (1) cost to the town
- (2) the demolition of an historic building
- (3) both 1 & 2

Please let me know how you would like to proceed.

Thank you,

Paul Lazes
