> Hi Amy, Harold and Mike,  
> I just spoke with John and we are going to submit an application to the CPC for improvements to the Tisbury School Playground in the amount of \$300,000.  
> The deadline for preliminary eligibility application is tomorrow at noon, and John has kindly offered to submit this for us.  
>  
> In the past School Committee and PTO has sponsored these requests and I would like us to do this again this year.  
>  
> In the previous 2 years we have asked for \$200,000 and received \$100,000, so right now we have \$200k committed from the CPC to be used to on a new basketball court and playground equipment.  
>  
> If we make it through the eligibility round we will need to prepare information on what we would use this new requested amount for.  
>  
> I know in previous building committee meetings CPC funds were mentioned as a way to bring funds to the building project for the grounds.  
>  
> If we can give them a schematic plan for the grounds at the next stage we have a good chance of securing the \$300k bringing total funds to \$500k.  
> Is this something the building committee could request from Tappe Architects.  
>  
> Can you include this item for discussion on your agendas for the next Building Committee Meeting and School Committee meeting.  
>  
> Many thanks,  
> Siobhán
